Our Mission

- Promote the preservation and protection of the natural resources of Lake County, Florida
- Enhance civic awareness of present and potential threats to the environment
- Promote responsible growth management
- Cooperate with other local conservation and environmental groups for our common purposes
- Advise local leaders on conservation and environmental matters.

Do you support the purposes of the Lake County Conservation Council? _____

How did you learn about us? _____ County of Residence _____

Join a Committee

Most of our work is done in committees. The best way to contribute is to join one or more – **check your favorites:**

- Program** organizes educational events such as lectures and forums.
- Government Affairs** Informs members of government activities affecting the natural resources of Lake County and recommends possible courses of action to the Council.
- Social Media** Informs members and the public about our activities.
- Membership and Hospitality** Recruits members, processes membership applications, greets members and guests at meetings, and informs the Council of noteworthy activities of members.
- Conservation** Informs members of issues involving natural resources and responsible growth management; recommends possible courses of action to the Council.
- Finance** Drafts the annual budget, schedules the annual audit, and raises funds.

Signature _____ Date _____
